

“Getting the Wilderness in You”

Some nice feedback...

“This is a wonderful little book that reminds the reader that the beauty of both nature and friendship are treasures to embrace.”

Barbara Hoover, Forensic Scientist

“Bill Sanderson’s story of his experiences with Rolf and the Northwoods is an enjoyable read, full of humor, adventure, and great camping tips. More importantly, it demonstrates how the wilderness became a rite of passage from boy to young man. This is one of the few remaining places of solitude left on earth that gives us good reason to revisit.”

Laura and Tom Lagana Co-authors of *Chicken Soup for the Volunteer’s Soul* and *Serving Productive Time*

“A captivating American tale that captures the joy of disco very through the enthusiastic eyes of a young boy. The details of the stories are so vivid that it carries you into the wilderness along with all the characters. There is an overall nostalgic hue ingrained in this book that makes you long for your youth, while appreciating your journey to adulthood.”

Frances Kettering Operations Manager, Mutual Health Services

“This book is extremely readable and makes you wish you had plans for a summer camping trip to the Northwoods!”

Nancy R. Norris Accountant for the Salvation Army Northeast Ohio Divisional Headquarters

“A Great American story, not only with camping tips galore, but also with warm stories and adventures in the wonderful history of Northern Minnesota where we find what America is all about through the people who make us who we are.”

Michael Stratton, Teacher, sailor, outdoorsman

“This is a great American story about the woodlands and waterways of Northern Minnesota chocked full of warm, humorous adventure stories and camping tips galore and experiences with people who make us who we are as we grow.”

Cheryl Blanton, Legal Secretary, full-time camper
